### "Threat Of Love"

Its a poison  
That slowly drips  
Its a word of cruelty  
On your lips  
Like a killer on the run  
Like a kiss from a gun  
Its a threat of love  
Threat of love

Its a heartache  
To traumatise  
Its a touch of darkness  
In your eyes  
Like a killer on the run  
Like a kiss from a gun  
Its a threat of love  
Threat of love

Its a life  
On a bed of roses  
Its a life  
On a bed of nails  
Its a life of hell  
If you live to tell  
Its a threat of love  
Threat of love

Cold like a day without sun  
Cold like a kiss from a gun  
Cold how my heart grows cold  
Under the threat of love

Love goes dark  
In the shadow  
Of your heart  
Love goes cold  
In the winter of your soul  
Its a chilling revelation  
Its a ticket to damnation  
Its a reason for retribution  
As you pray for absolution

Like a lonely phantom calling  
Like an angel when hes falling  
Like a killer on the run  
Like a kiss from a gun  
Its a threat of love  
Threat of love

Afraid of love  
Afraid of love  
And all the things that are made of love

Threat of love  
Its the end of love
