Everywhere I go
I'll take a little piece of you
I collect
I reject
Photographs I took of you
well times i passed through
Then I have never been there
I have never had you

I can't remember
Give me a reminder
I collect
I reject
Memorabilia

Memorabilia...

Keychains and snowstorms
I can't remember
Give me a reminder
I collect
I reject
Memorabilia

Memorabilia...

Memememememorabilia.....

I can't rememememember you....

Awaaaaaaaaaaaaayyyyyyyyyyyy yahaaaaahhhaaaa....
Awaaaaaaaaaaaaayyyyyyyyyyyy yahaaaaahhhaaaa....

You gotta turn the beat around
You gotta hear percussion...
Turn it upside down
You got to hear percussion
Got to hear percussion

Memememememorabilia.....
