Satin  
Satin and velvet  
Leather and lipstick  
On the one that I love

Cheap gold  
Makers of cheap gold  
Plastic and rhinestones  
On the one that I love

My love  
Acts like a porno star  
Talks like a trickster  
And tricks like a whore

But my love  
Looks like an icon  
And that's what I adore?  
What I adore? What I adore? What I adore?

Vinyl  
Rubber and vinyl  
Viscose and Velcro  
On the one that I love

Purple  
Week old mascara  
Broken tiara  
On the one that I love

My loves  
Wakes up on vodka  
Beds down on Valium  
And sleeps on the floor

And my love  
Looks beautifully wasted  
And that's what I adore?  
What I adore? What I adore? What I adore?

My love  
Loves tattoos in Biro

Love bites and lager  
And long Menthol fags

My love  
Smokes like Betty Davis  
In short  
Vicious drags

My love  
Sleeps like an angel  
Dreams like a devil  
On sheets of velor

My love  
Is a living disaster  
And that's, oh yes that's what I adore?  
What I adore? What I adore? What I adore?  
What I adore? What I adore? What I adore?  
What I adore?

And I am talking about your love  
I am talking about my love  
I am talking about your love  
I am talking about my love

I am talking about my true love  
I am talking about you love  
I am talking about you love
