(sleaze)

(sleaze)

Lipstick marks on pint beer mugs

And love bites on the neck

Take me in your back room

And you pay for what you get

Diana dors all washed up

Dolores del rio

Hanging round the lowlife dives

And other zombie go-go's

Sleaze - can be very tragic

Sleaze - but I only see the magic

Sleaze - can be very flashy

Sleaze - it's at it's best when trashy

Take it, shake it, fly with it

Do it, screw it till you're sick

Pull a trick, get a hit,

Love it till you're sick and tired of it

Sleaze

Sleaze (shake it)

Hanging round these back streets

Inner soho after hours

Feeling very used and I'm feeling very tired

Someone threw a party (shake it)

Someone threw a fit (take it)

Baby let me mambo with you a little bit

Mambo (mambo)

Mambo (and all those little spanish hustles) hey!

Did I tell you all my secrets (no)

About the things I did (I did?)

About people I went with

How they treated me like shit (that's right)

How you fell out of bed

And I had to drag you back in

Back into my life

Into my sleazy life

(sleazy life)

Hey

Hey
(shake it, take it)

Did I ever tell you I loved you (never)
That we could be so good together
Hanging out on the street together
Selling our meat together
Sleaze hey!
I love you
Sleaze

(the tinkle of the piano)
(it drags me under the table)
(in a slow sweet fuck)

Shake it, take it
Sleaze - can be very tragic
Sleaze - but I only see the magic
Sleaze - can be very trashy (trashy)
Sleaze - but it's at it's best when flashy
Take it, shake it, fly with it
Do it, screw it till you're sick
Pull a trick, get a hit,
Love it till you're sick and tired of it

Sleaze

I've worn these rags for days
And now I feel just sleepy
All these looks and hooded crooks
Are making me feel creepy
A greasy greek is eyeing me
And making me an offer (ha!)
I take his bribes and cigarettes
Move on to find another (haha haha)

Sleaze - can be very trashy
Sleaze - but I like it best when it's flashy
Sleaze - hey
Sleaze - hey

Shake it (strange when [?] is a way of earning money)
Take it, hey (some are cruel, some are kind)
(all are necessary)

Take it, shake it, fly with it
Do it, screw it till you're sick
Make a hit, pull a trick
Love it till you're sick and tired of it

Sleaze

Sleaze

I'm 21 and I think I love you

Hey

Hey

Hey

Ugh!
