Something's gotten hold of my heart  
Keeping my soul and my senses apart  
Something's gotten into my life  
Cutting its way through my dreams like a knife  
Turning me up, turning me down  
Making me smile, making me frown

In a world that was war  
I once lived in a time  
That was peace  
With no trouble at all  
But then you came my way  
And a feeling I know  
Shook my heart  
And made me want you to stay  
All of my nights  
And all of my days

I wanna tell you now  
Something's gotten hold of my hand  
Dragging my soul to a beautiful land  
Something's invaded my night  
Painting my sleep with a colour so bright  
Changing the grey, changing the blue  
Scarlet for me, scarlet for you

I've got to know if this is the real thing  
I've got to know what's making my heart sing, oh yeah  
A smile and I am lost for a lifetime  
Each minute spent with you is the right time

Every hour (yeah) every day (yeah)  
You touch me and my mind goes astray  
And baby yeah, and baby yeah

Something's gotten hold of my hand  
Dragging my soul to a beautiful land  
Something's gotten into my life  
Cutting its way through my dreams like a knife  
Turning me up, turning me down  
Making me smile, making me frown

In a world that was war  
I once lived in a time  
That was peace  
With no trouble at all

But then you, you, you  
Came my way

And a feeling I know  
Shook my heart  
And made me want you to stay  
All of my nights  
And all of my days

Something's gotten hold of my heart  
Keeping my soul and my senses apart  
Something's invaded my night  
Painting my sleep with a colour so bright  
Changing the grey, changing the blue  
Scarlet for me, scarlet for you
