The house is haunted  
By the echo of your last goodbye  
The house is haunted  
By the memories that refuse to die  
I can't get away from the vision that brings  
Intimate glimpses of intimate things  
A voice in my heart like a torch singer sings  
I wonder who's kissing you now

The house is haunted  
By the echo of your favourite song  
The place is cluttered up  
With memories that have lived too long  
Much too long

The ceilings are white but the shadows are black  
The ghost in my heart says  
You'll never come back  
The house is haunted  
By the echo of your last goodbye

I'll never forget you

The house is haunted  
By the echo of your last goodbye
