From the silence
From the night
Comes a distant lullaby

Cry remember that first cry
Your brother standing by
And lot of love
Beloved [that] sons of mine

Sing a lullaby
Mother is close by
Innocent date such innocent eyes

And he stole your brother's life
Came home murdered piece of mine

Left you nightmares on my pillow
Sleep now

Sole surrendering your soul
The harm your not whole
For love but love
Walked on

Cast into the dawn
Branded with them all
Of shame of Cain

From a garden of those light
To our wilderness of night

Sleep now...
Sleep now
