It was a coldest day in December  
A day I always will remember  
I looked into your eyes  
And faced my deepest fear  
I had drifted to far  
Far from you my dear

CHORUS:

So how could I  
Turn away from the one I love  
How could I  
When I know what my heart's made of  
Could it be  
That your soul lives inside of me  
How could I ever say good-bye  
Why was I so afraid to tell her  
That for her I would fight a thousand soldiers  
But just like an angry child  
I kept my feelings locked inside  
There were rivers of tears  
Falling from her eyes

So how could I  
Turn away from the one I love  
How could I  
When I know what my heart's made of  
Could it be  
That your soul lives inside of me  
How could I ever say good-bye  
Why was I so afraid to tell her  
That for her I would fight a thousand soldiers  
But just like an angry child  
I kept my feelings locked inside  
There were rivers of tears  
But the one thing I knew in my heart  
Is that I was fading much too fast
