If I had the opportunity
If I had the opportunity
If I had the opportunity
If I had the opportunity

I'm so into you, girl
You're blowin' my mind
With everything you do
And if I had the chance,
I would give you good love
And a true romance

Cause ever since that day
You came my way
I knew I had to have you
Don't run away,
Please say you'll wanna stay
There's no need for you to doubt my love
I'll always stand beside you
To give you lovin' that's so true

If I had the opportunity
I would love you forever
(you gotta believe in what I'm sayin')

If I had the opportunity
We would always be together
(so deep in love this time I'm stayin')

Girl you stole my heart,
I was so hooked on you
Right from the start

There's no need to pretend,
Cause what I feel for you is real,
It will never end

Cause ever since that day
You came my way
I knew I had to have you
Don't run away,
Please say you'll wanna stay

There's no need for you to doubt my love
I'll always stand beside you
To give you lovin' that's so true

If I had the opportunity
I would love you forever
You gotta believe in what I'm sayin

If I had the opportunity
We would always be together
So deep in love this time I'm stayin

If I had the opportunity
If I had the opportunity
If I had the opportunity
If I had the opportunity
I'd be with you

If I had the opportunityÂiÂ.
