Let's make it alright, do it tonight, don't get uptight
Keep rockin' til the morning light
Let's make it alright, do it tonight, don't get uptight
Keep rockin' til the morning light
Let's make it alright, do it tonight, don't get uptight
Keep rockin' til the morning light
Let's make it alright, do it tonight, don't get uptight
Keep rockin' til the morning light

It's alright to have a good time,
It's alright to feel brand new
It's alright to let it out and let the vibe
Bring out the best that's in you

If you're feeling uptight you've got to let it go
Cause the moment has arrived
To let the music play and soothe your soul

Let's make it alright, do it tonight, don't get uptight
Keep rockin' til the morning light
Let's make it alright, do it tonight, don't get uptight
Keep rockin' til the morning light
Let's make it alright, do it tonight, don't get uptight
Keep rockin' til the morning light
Let's make it alright, do it tonight, don't get uptight
Keep rockin' til the morning light

(rap solo)

It's alright to keep believin'
We all have got to find a way
So hold on tight, get it right, see the light
I know we'll make a better day yes we will
Cause if you're feeling uptight you've got to let it go
Cause the moment has arrived
To let the music play and soothe your soul

Let's make it alright, do it tonight, don't get uptight
Keep rockin' til the morning light
Let's make it alright, do it tonight, don't get uptight
Keep rockin' til the morning light
Let's make it alright, do it tonight, don't get uptight

Keep rockin' til the morning light
Let's make it alright, do it tonight, don't get uptight
Keep rockin' til the morning light

It's alright!
