How can this be
Though all these years I have been true to thee
You have the nerve to say you're done with me
And that I should leave
Girl you're killing me

Take another day
Before you go and thow it all away
And if you do, I know we'll find a way
Just believe in me
Cause I'm here to stay

Chorous
(Don't let me leave)
Don't let me leave ya girl
Cause if I do, I promise I will look the other way
Girl I know you need me by your side
You don't see it, but I know it, this is why.....

(Don't let me leave)
Don't let me leave you girl
Just let me tell you why....
You're all I ever needed and everything worth fighting
for

Before you go and throw it all away
Girl I just know that we can find a way
Please believe in me
Cause I'm here to stay

Repeat Chorous

Instrumental Break;

Repeat Chorous

You're all I ever needed
And everything worth fighting....
