I've got a feeling deep inside
And this need I just can't hide
Let me love you girl
There's so much I want to share
And I'll always be there

When you want me to
I'll be there for you
Just call my name I promise I will treat you right
Just call my name I will be there day and night
Just call my name and I'll come running to you, oh girl

Let me love you let me satisfy your needs
Let me love you cause you know I aim to please
Let me love you and I'll never let you go
Let me love you I'll give you all my love and so much
more
So much more

When you touch me like you do
You satisfy me through and through
Let me love you girl
You got me coming back for more
Your love is what I'm living for

All you've got to do let me be with you
Just say you will open up and let me in
Just say you will
I'll be your lover and your friend
Just say you will and I'll come running to you, oh girl

Let me love you let me satisfy your needs
Let me love you cause you know I aim to please
Let me love you and I'll never let you go
Let me love you I don't want you to say no

Let me love you let me satisfy your needs
Let me love you cause you know I aim to please
Let me love you and I'll never let you go
Let me love you I don't want you to say no

No great love you will ever find

Just believe that I love you
Until the end of time my love
Just say you will open up and let me in
Just say you will I'll be your lover and your friend
Just say you will and I'll come runnin' to you oh girl

Let me love you let me satisfy your needs
Let me love you cause you know I aim to please
Let me love you and I'll never let you go
Let me love you I don't want you to say no

Let me love you let me satisfy your needs
Let me love you cause you know I aim to please
Let me love you and I'll never let you go
Let me love you I'll give you all my love and so much
more
So much more
