Moon so bright, night so fine  
Keep your heart here with mine  
Life's a dream we are dreaming

Race the moon, catch the wind  
Ride the night to the end  
Seize the day, stand up for the light

I want to spend my lifetime loving you  
If that is all in life I ever do

Heroes rise, heroes fall  
Rise again, win it all  
In your heart, can't you feel the glory?

Through our joy, through our pain  
We can move worlds again  
Take my hand, dance the dance with me

I want to spend my lifetime loving you  
If that is all in life I ever do  
I will want nothing else to see me through  
If I can spend my lifetime loving you

Though we know we will never come again  
Where there is love, life begins  
Over and over again

Save the night, save the day  
Save the love, come what may  
Love is worth everything we pay
