Amanece un da ms  
Que te llamo a pesar  
Que t no ests.  
Y es que todo alrededor  
Me recuerda tanto a t  
A tus cosas a ese amor  
Que vive en m  
Que solo estoy no puedo ms  
Que alegre si quisieras regresar  
Nuestra casa sigue igual  
Todo espera tu llegar  
Hay necesidad en m  
Por este amor ten compasin  
Ya yo no puedo estar sin t

Coro

Se me sigue olvidando que no ests  
Y te busco a mi lado al despertar  
Y me aferro a tu almohada sin querer  
Que conserva el aroma de tu piel  
Se me sigue olvidando que no ests  
Que tu amor ya ms nunca volver  
Ms yo sigo soando que vendrs  
Pues no quiero aceptar la realidad

Que voy a hacer si ests en m  
Si te llamo cuando s que te perd  
Y es que todo alrededor  
Me recuerda tanto a t  
A tus cosas, a ese amor  
Que an est vibrando en m  
Que no me deja ya vivir

(repite coro)

Se que te has marchado  
Y te sigo esperando  
Y es que se me sigue olvidando  
Se me sigue olvidando que no ests  
Converso en las noches  
Con mi soledad  
Se me sigue olvidando  
Y me miro en el espejo

Y me pregunto a dnde ests  
Se me sigue olvidando que no ests  
No puedo aceptar que se me fue  
Se me sigue olvidando  
Y me hago dao  
Cuanto te extrao  
Y yo me engao  
Si pienso que te olvid  
Ruben!  
Levantalo, sergio  
Jojoma!

Se me sigue olvidando  
Se me sigue, se me sigue  
Se me sigue olvidando  
Que te olvid  
Y yo conservo en mi mente  
Que este amor est presente  
Se me sigue olvidando  
Yo no se ya que hacer, tu ves  
Se me sigue olvidando  
Se me sigue olvidando  
Yo no se ya que voy hacer, tu ves

Ay, yo no se, yo no se, yo no se  
Ay, yo no se, yo no se, yo no se  
Se me sigue olvidando  
Yo no se que voy hacer  
Si no tengo tu querer  
Se me sigue olvidando  
Se me sigue olvidando  
Se me sigue olvidando  
Se me sigue olvidando  
Ya no se que hacer  
Nena como te extrao  
Te extrao  
Nena como te extrao

On the dawn of another day  
I call you even though  
Youre not around  
And it's cause everything around me  
Reminds me so much of you  
Of your things, of that love  
That lives in me

Im so lonely, I can't any more  
Id be so happy if you decided to come back  
Our house remains the same  
It all awaits your return  
There's a need in me

For this love  
Have compassion!  
I can't be without you anymore

Chorus

I keep forgetting you're not here  
And I look by my side when I awake  
And I cling to your pillow unintentionally  
Because it retains your body scent  
I keep forgetting you're not here  
That your love will never return  
Yet I keep dreaming that you'll come  
Cause I don't want to accept  
The reality

What am I going to do if you're in me  
If I call you when I know that I've lost you  
And it's cause everything around me  
Reminds me so much of you  
Of your things, of that love  
That still vibrates in me  
That won't let me live anymore

(repeat chorus)

I know you've left  
And I keep waiting for you  
And it's cause I keep forgetting  
I keep forgetting you're not here  
I talk at night with my solitude  
I keep forgetting  
And I look at myself in the mirror  
And I ask myself where you are  
I keep forgetting you're not here  
I can't accept that you're gone  
I keep forgetting  
And I harm myself  
How much I miss you  
And I deceive myself  
If I believe that I've forgotten you

Ruben!  
Bring it up, Sergio!  
Jojoma!

I keep forgetting  
I keep, I keep  
I keep forgetting  
That I forgot you

And I keep alive in my mind

That this love still exists  
I keep forgetting  
I don't know what I'm going to do, you see  
I keep forgetting  
I keep forgetting  
I don't know what I'm going to do, you see

Oh, I don't know, I don't know  
I don't know  
Oh, I don't know, I don't know  
I don't know  
I keep forgetting  
I don't know what I'm going to do  
If I don't have your love  
I keep forgetting  
I keep forgetting  
I keep forgetting  
I keep forgetting  
I don't know what to do anymore  
Girl, how I miss you  
I miss you  
Girl, how I miss you!
