Dragon's ear and druid's spear
Protects you while the *Dworns are here
The winds of wrath chill cold the cloth
That drapes her shape from fangs of fear

I love you my love
Please taketh this heart which I bear
O heal my sorrow
Weareth my arms like a charm
Through the dales of your doom
Our lives are merely trees of possibilities.

(*Dworn-Machinery of war, a bronze frame with wheels
of white ivory and the horns of a gazelle for steering,
so sayeth Agadinmar.)
