Oh, baby, mystic lady  
You do own my night  
Put my dogs to fright  
Yeah, yeah, yeah, yeah, yeah

Oh, slidin', ridin' sorceress  
In your dungaree  
Got me on my knee  
Yeah, yeah, yeah, yeah, yeah

All the people in your life are cruel  
Keep on ridin' that hard road  
The lovers in you life are few  
Keep on ridin' that hard road

Baby, baby, baby  
Oh, baby, baby, baby  
Pleasant, crescent moon  
Fills my heart with pain  
Fills my toes with rain  
Yeah, yeah, yeah, yeah, yeah

Oh, Bobby you're a hobby  
With the learned ones  
Like a setting sun  
Yeah, yeah, yeah, yeah, yeah

All the people in your life are cruel  
Keep on ridin' that hard road  
And lovers in you life are few  
Keep on ridin' that hard road

Baby, baby, babe, pa pa, ra ra, ra ra  
Baby, baby, babe, pa pa, ra ra, ra ra  
Baby, baby, babe, pa pa, ra ra, ra ra
