Ride it on out like a bird in the skyway,  
Ride it on out like you were a bird,  
Fly it all out like an eagle in a sunbeam,  
Ride it all out like you were a bird.

Wear a tall hat like the druids in the old days  
Wear a tall hat and a tattered gown  
Ride a white swan like the people of the Beltane,  
Wear your hair long, babe, you can't go wrong.  
Catch a bright star and place it on your forehead,  
Say a few spells and baby, there you go,  
Take a black cat and sit it on your shoulder,  
And in the morning you'll know all you know.
