I'm just a man, I understand the wind
And all the things that make the children cry
With my Les Paul, I know I'm small
But I enjoy living anyway

Book after book I get hooked
Every time the writer talks to me like a friend
What can I do, we just live in a zoo
All I do is play the spaceball ricochet

Deep in my heart there's a house
That can hold just about all of you
I bought a car it was old but kind
I gave it my mind and it disappeared

I love a girl, she is a changeless angel
She's a city, it's a pity that I'm like me, yeah
I said how can I lay when all I do is play
The spaceball ricochet

I'm just a man, I understand the wind
And all the things that make the children cry
With my Les Paul, I know I'm small
But I enjoy living anyway, yes I do

Deep in my heart there's a house
That can hold just about all of you
How can I lay when all I do is play the spaceball ricochet
Oh baby, the spaceball ricochet
Oh mama, the spaceball

Do the spaceball
Do the spaceball
Do the spaceball
Do the spaceball
