Dm/dm10.....g6....
My eyes went up it was sunrise
...dm/dm10...f.....am..
The sky turned black it was noon
..dm/dm10.....g6...
A ship of the silverest metal
Dm/dm10.....f.....am...
Shadowed out all of the moon

C10.....dm....
Truly I do love you-oo
C10.....dm....
Truly I do love you-oo

Dm/dm10.....g6....
A shape that was golden and crimson
...dm/dm10...f.....am...
Ex-tended a claw to my frame
..dm/dm10.....g6...
I sunk in the sand like an infant
..dm/dm10.....f.....am..
I screamed but my tongue was lame

C10.....dm....

Truly I do love you-oo
C10.....dm....
Truly I do love you-oo

Dm/dm10.....g6....
My heart on a platter they'd stolen
...dm/dm10.....f.....am...
My eyes were of firey flame
..dm/dm10.....g6.....
A sound like a sweet dove I stuttered
.....dm/dm10.....f.....am..
And then the ship swam the skies again

C10.....dm....
Truly I do love you-oo
C10.....dm....
Truly I do love you-oo

C10.....dm....
Truly I do love you-oo
C10.....dm....
Truly I do love you-oo
