Na ha ha ha da da do do da da da da da  
Na ha ha ha da da do do da da da da da  
Na ha ha ha da da do do da da da da da  
I say, I like your money and I like your car  
Papa da da da da da...

And if he thinks like you, even like it pa  
Papa da da da da da...

I say your skinny little legs don't bother me so  
Da da di di da da...  
Ha ha ha hah...

But you scare me to death with your horrible breath  
You're gonna scare me to death with your horrible  
breath  
You're gonna scare me to death with your horrible  
breath  
Da da da da da da na na na...  
Da da da da da da na na na...

I say, I like your money and I like your show  
Papa da da da da da...

And your big fat legs gonna make me say no  
Papa da da da da da...

I said, the other things you got gonna make love grow  
Da da di di da da...  
And you scare me to death with your horrible breath  
You're gonna scare me to death with your horrible  
breath  
You're gonna scare me to death with your horrible  
breath  
Ha, ha, ha, ha...

Da da di da da di, da da di da da di  
Mama ma ma ma mama...  
Na na na na...

I say, I like your money and I like your car  
Papa da da da da da...

And if he thinks like you, even like your pa  
Papa da da da da da...

And you scare me to death with your horrible breath  
You're gonna scare me to death with your horrible  
breath  
You're gonna scare me to death with your horrible  
breath  
Ha, ha, ha, ha...

I say, I like your money and I like your car
