All at Once, All at Once
I can tell from our very first meeting
All at Once, All at Once
I can tell from the way my heart's beating
We were made to be one
Like the Sky and the Sun
Like the moon and the Stars Shining above

Every word that you speak
Fills my soul with a wonderful feeling
Then you smile Then I fly
on a Cloud to a heavenly ceiling
Every dream of the past
Has come true and at last
All at Once, All at Once IÂ´m in Love

All at Once, All at Once
I can tell from our very first meeting
All at Once, All at Once
I can tell from the way my heart's beating
We were made to be one
Like the Sky and the Sun
Like the moon and the Stars Shining above

Every word that you speak
Fills my soul with a wonderful feeling
Then you smile Then I fly
on a Cloud to a heavenly ceiling
Every dream of the past
Has come true and at last
All at Once, All at Once IÂ´m in Love

All at Once, All at Once
IÂ´m In Love
