

Marc Bolan And T. Rex "Beltane Walk"

Visit "[Beltane Walk](#)" on MotoLyrics.com

Trucking down by the roadside
Met a man with a starhide
He said boy wouldn't you like to look
But could it give me love
Give me little love from her heart
Bopping down by the whirlpool
I met a girl she was god's tool
I said girl wouldn't you like to rock
But could it give me love
Give me little love from god's heart
Walking down by the westwind
I met a boy he was my friend
I said boy we could sing it too
And we do
Give us love
Give us little love
Give us little love from your hearts
And then we'll walk.
