BILLY SUPER DUPER

Shot down, Billy - Billy Super Duper  
handglide in polar wind  
born up the road  
from the house of my friend  
and people dipped with crystal forms  
love is just a young man  
waiting to be born, Billy

Memory shattered glass  
death servantes decides  
who will most falter  
and who will always fly  
on the carriages of destiny  
but love is just a wonder on the slide

Oh Billy shot down, Billy shot down

Billy Super Duper  
handglide in polar wind  
born up the road  
from the house of my friend  
and people dipped with crystal forms  
hanging always fly  
but love is just a young man  
walking on a wonderful slide

Get down Billy, get down Billy
