I'm gonna dance with my princess
By the light of a magical moon
I'm gonna dance with my princess
By the light of a magical moon

As I go along my way
I say hey hey
As I go along my way
I say hey hey

I'm gonna talk with the elders
And tell all of our hearts that is good
I'll barefoot dance with my baby
By the light of a magical moon

As I go along my way
I say hey hey
As I go along my way
I say hey hey

I'm gonna dance [dance] with my baby [baby]
By the light of a magical moon
Gonna d-d-d-dance with my baby
By the light of a magical moon

When I slay the darkest day
Then we can play
Till that deep and joyous day
We'll dance and pray

Alright
