Cat Black, you know she's back
Been six weeks since she blew her stack
Now she's fine, she's all mine
I'm gonna stop her blowin' her mind again
Cat Black she's my honey
All she wants to do is spend my money
She's a real-gone chick and I love her so
Knocks me out when she does the rock 'n' roll, yeah
Cat Black you know I'm pleased
There's my heart, and here's the keys to my
Cadillac, hey Cat Black
You look all pretty, let's get turned on
And fade away
Cat Black she's so sweet
She's so pretty I can hardly speak
Dresses in jeans, gets on scenes
She's kind and she's fine to me
Cat Black, you know she's back
Been six weeks since she blew her stack
Now she's fine she's all mine
I'm gonna stop her blowin' her mind again
[Repeat last verse]
