Standing on a corner
Of the chrome sitar
Everybody ask who the hell you are
Somebody scream and shout, somebody spoke
Somebody said that life is just a joke **
So come on, little girl
Won't you hold my hand
Come on, little girl
Don't you understand
Come on little girl, yea, yea
Love is grand, won't you hold my hand - tonight
Princess outrage with deductible grave
Scream of her love but you know I was brave
Octoganic angel, measuring the stars
Trying to run away with a chrome sitar
