DO I LOVE THEE

Do I love thee  
in my heart like a jet black rose  
mighty thunder  
like my love in my head as it goes

Shadow baby  
all the mansions of gold will be yours  
Do I love thee  
do i love thee like the secrets flow  
Have you seen her  
that girl like a cat in the storm  
he ever loved her  
since the day that the earth was born

Do sing a rapture  
air supplied to our vibe that stay

Flashing jet stream  
cruise on like the line of a team  
deep lagoon yeah  
trying to ride on the freighter dune

Senseless times and trying to age  
like the youth of a claw  
Do I love thee  
do I love thee child of the gulls  
Jet lag rolls home  
night of thunder's all that I know  
get in the back girl  
and put a kiss on it  
and it'll grow

Do I love thee child
