Saturday drives and daring dudes
Well who decides their moods
Who is the center star
The dude who takes their food
The town is tremblin'
The glitter maniacs pass
Well I can't sit still
So baby lets dance
With the girl in the thunderbolt suit
Girl in the thunderbolt suit
Girl in the thunderbolt suit
She's cute, that girl
Girl in the thunderbolt suit
Girl in the thunderbolt suit
She's cute
Girl in the thunderbolt suit
We just love restrictively
My old and lovely head
I love you most of all In the meshes in my head
You do me like you do
The wind blows only chance
But I can't sit still
So baby let's dance
Girl in the thunderbolt suit
Girl in the thunderbolt suit
Girl in the thunderbolt suit
