There was a time
everything was fine
you got drunk on the day
that the heat was white
and all the children they put flowers in their hair
and all the grown-ups they put daggers in their stare...
Baby I've got metal knees ooh.
Lady I'm beggin' of you please
Baby you think you're a champ but
Girl you ain't nothin' but a raw ramp.
Lady, your lips are the most
Baby, your mouth is like a ghost
Lady, you think you're a champ but
Girl you ain't nothin' but a raw ramp.
Woman, I love your chests ooh,
Baby, I'm crazy 'bout your breasts
Woman, you think you're a champ but
Girl you ain't nothin' but a raw ramp
Baby I've got metal knees ooh.
Lady I'm beggin' of you please
Baby you think you're a champ but
Girl you ain't nothin' but a raw ramp.
Baby, I love your chests ooh,
Lady, I'm crazy 'bout your breasts
Woman, you think you're a champ but
Girl you ain't nothin' but a raw ramp
You ain't nothin' but a raw ramp.....
Standin' on a corner by my old high school,
I let this female call me a fool
I got on my knees and begged to the sun
And I knew that my manhood had begun
Boogie on, electric boogie, boogie on
Embrace your brother, dance in the mud
Like a Palamino stud
Come along hold my hand.
