SLIDER BLUES

Well you're sleek and you're long
Got a shotgun highway mouth
You're sleek and you're long
Got a shotgun highway mouth
I live in a tent baby
Tho' you may call it a house.

I'm a son of a preacher
I was born on Beltane Eve
I'm a son of a preacher
I was born on Beltane Eve
I take what you give me baby
I'll even take what you leave

I ride my horse across the dunes and even more
Said I ride my horse across the dunes and even more
I'll always call you a princess
Even some call you a velvet whore

I'm known as a slider, yes indeed
I'm known as a slider, yes indeed
I'll give you everything
If you can but full-fill my need
I am a hungry man
Slide all around

I don't care if you are only underground
To me you're but a silver plated lady
Don't make a sound
Cos' I'll slide you down
