I'm just a man  
I understand the wind  
And all the things  
That make the children cry  
With my Les Paul  
I know I'm small  
But I enjoy living  
Anyway  
Book after book  
I get hooked  
Everytime the writer  
Talks me like a friend  
What can I do  
We just live in a zoo  
All I do is play  
The spaceball ricochet  
Deep in my heart  
There's a house  
That can hold  
Almost all of you  
I bought a car  
It was old but kind  
I gave it my mind  
And it disappeared  
I love a girl  
She is a changeless angel  
She's a city it's a pity  
That I'm like me  
I said how can I lay  
When all I do is play  
The spaceball ricochet
