With your stained glass look
Ahh.....
Well do you remember when we met
You stuck behind me like a stained glass net
And I'm broken
Is that a token of your love
Is that a token
A token of your love
Do you remember when we met
You moved behind me like a stained glass net
And I'm broken
Is that a token of your love
Is that a token
A token of your love
Everyday, every single day
My heart is broken,
Oh yeah
Everyday, every single day
Does this mean my love has been awoken **
*Repeat **Repeat *Repeat
Is that a token
A token of your love
