

Marc Bolan And T. Rex "Visions Of Domino"

Her love is hot, but mine is not
This woman is a perfumed breeze
Greek Gods recline on her knees
I'd freeze the sun to kiss her ear
It all makes up the visions I call Domino
It all makes up the visions I call Domino
Right now
A suit of doubt she gave to me
In return I cried a sea
Of poet's tears and something more
I camped outside her velvet doors
Love's a freak and it moves fast
My marble dream it could not last
Now every time this girl I see
She tries to chain me to her tree
