I've been loving you too long  
To stop now

You were tired and you wanted to be free  
My love is growing stronger  
As you became a habit to me

Yeah, I've been loving you a bit too long  
I don't wanna stop now

With you my life has been so wonderful  
I can't stop now

You were tired and your love was growing cold  
My love was growing stronger  
As our affair, affair grows old

And I've been loving you just a little too long  
Lord, I can't stop now, no, no

I've been loving you just a little too long  
I don't wanna stop now, no no no, no no

I've been loving you, oh, ooh  
I've been loving you, ah babe  
Oh, oh, I've been loving you
