I gotta little thing comonna kaya

Cool sheets, real fine, lay me down in the hot July  
I wish I may, I wish I might be next to you every night  
No phone, no sir, don't wanna be disturbed  
Just me, just her, speak without using words, learning  
her every curve

There ain't nothing like sleepin' late on a Saturday  
Waking love, to see my baby's face  
You know I wouldn't wanna have it have it any other way  
'Cause it's my favorite, sleeping late on a Saturday

She's the kind of girl that any man would fancy  
But she's mine, all mine, one of a kind, her beauty so  
divine  
This chance, romance, baby I canceled all my plans  
Just me, just you, whatever we want to do, I am so into  
you

There ain't nothing like sleepin' late on a Saturday  
Waking love, to see my baby's face  
You know I wouldn't wanna have it have it any other way  
'Cause it's my favorite, sleeping late on a Saturday

Since Monday I ain't thought of nothing  
But bein' right there with you  
(Ooh I just want to be with you my baby)  
Come Friday I can't wait  
(Yeah)  
You're my special one, make me come undone  
It's so much fun

There ain't nothing like sleepin' late on a Saturday  
Waking love, to see my baby's face  
(I just want to look into your eyes)  
You know I wouldn't wanna have it have it any other way  
'Cause it's my favorite, sleeping late on a Saturday

There ain't nothing like sleepin' late on a Saturday  
Waking love, to see my baby's face  
(So oh fine)

You know I wouldn't wanna have it have it any other way  
'Cause it's my favorite, sleeping late on a Saturday

There ain't nothing like sleepin' late on a Saturday  
Waking love, to see my baby's face  
You know I wouldn't wanna have it have it any other way  
'Cause it's my favorite, sleeping late on a Saturday  
(Yeah, yeah, yeah)
