Now is the time for all good men  
To get together with one another  
Iron out our problems, iron out our quarrels  
And try to live as brothers

Try to find the peace within  
Without stepping on one another  
Do respect to the women of the world  
Just remember that we all have mothers

Make this land a better land  
Than the world in which we live  
And help each man be a better man  
With the kindness that you give

And I know we can make it  
(I know that we can)  
I know darn well that we can work it out  
(Yes, we can, I know, we can can, yes, we can can  
Why can't we? If we wanna yes, we can can)

I know we can make it work  
(I know that we can)  
I know we can make it if we try  
(Yes we can, I know we can can, yes we can  
Great gosh almighty, yes we can, I know we can can)

You got to take care of the children  
Children of the world  
They're our strongest hope for the future  
The little bitty boys and girls

Make this land a better land  
Than the world in which we live  
And help each man be a better man  
With the kindness that you give

And I know we can make it  
(I know that we can)  
I know darn well that we can work it out  
(Yes, we can, I know, we can can, yes, we can can  
Why can't we? If we wanna yes, we can can)

I know we can make it work  
(I know that we can)  
I know we can make it if we try  
(Yes we can, I know we can can, yes we can  
Great gosh almighty, yes we can, I know we can can)

You got to take care of the children  
The children of the world  
They're our strongest hope for the future  
The little bitty boys and girls

Make this land a better land  
Than the world in which we live  
And help each man be a better man  
With the kindness that you give

I know we can make it  
(I know that we can)  
I know darn well that we can work it out  
(Yes, we can, I know, we can can, yes, we can can  
Why can't we? If we wanna yes, we can can)

I know we can make it work  
(I know that we can)  
I know darn well that we can work it out  
(Yes we can, I know we can can, yes we can  
Great gosh almighty, yes we can, I know we can can)

Yes, we can, I know, we can can, yes, we can can  
Why can't we? If we wanna yes, we can can  
Yes, we can, I know, we can can, yes, we can can  
Why can't we? If we wanna yes, we can can

Yes, we can, I know, we can can, yes, we can can  
Why can't we? If we wanna yes, we can can  
Yes, we can, I know, we can can, yes, we can can  
Why can't we? If we wanna yes, we can can

You got to go the extra mile  
You got to live it and breathe it and see it  
You got to bring it all home

Make this land a better land  
Got you and me and everybody let you see it  
The day on the street

You got to take care of the children  
They're our strongest hope for the future
