Sometimes you've got to go back  
Sometimes you don't know why  
Sometimes you've got to go back  
Sometimes you don't know why

I can see the sunshine coming through my room  
Breaking down the winter of my discontent  
Looking out my window at the people passing by  
I keep wondering where my old companion went

On the steps of the museum  
I wrote a line or two  
But it took a while to find my way back  
To something true like

This is where I lay my hat  
This is where they know my name  
This is where they show me that  
A man's not so alone, no

Maybe I'm already home  
(Sometimes you've got to go back)  
Maybe I'm already home  
(Sometimes you don't know why)

Rolling down the window burning up the daze  
Cutting through the veil that keeps on blinding me  
I was only sleeping waiting here for you  
Waiting for your touch that keeps reminding me

Well I've seen the world of wonders  
Been underneath it too  
But it took a while just to find my way back  
To something true like, like

This is where I lay my hat  
This is where they know my name  
This is where they show me that  
A man's not so alone, no

Maybe I'm already home  
(Sometimes you've got to go back)

Maybe I'm already home  
(Sometimes you don't know why)

Maybe I'm already home  
(Sometimes you've got to go back)  
Maybe I'm already home  
(Sometimes you don't know why)  
Maybe I'm already home

Why it had to take me so long  
Just to find a place that really feels  
This must be where I belong  
Thinking about it all I had to do was click my heels

This is where I lay my hat  
This is where they know my name  
This is where they show me that  
A man's not so alone, no  
Maybe I'm

This is where I lay my hat  
This is where they know my name  
This is where they show me that  
A man's not so alone, no  
Maybe I'm already home
