Well I hope that I don't fall in love with you
'Cause falling in love just makes me blue,
Well the music plays and you display
your heart for me to see,
I had a beer and now I hear you
calling out for me
And I hope that I don't fall in love with you.

Well the room is crowded, people everywhere
And I wonder, should I offer you a chair?
Well if you sit down with this old clown,
take that frown and break it,
Before the evening's gone away,
I think that we could make it,
And I hope that I don't fall in love with you.

Well the night does funny things inside a man
These old tom-cat feelings you don't understand,
Well I turn around to look at you,
you light a cigarette,
I wish I had the guts to bum one,
but we've never met,
And I hope that I don't fall in love with you.

I can see that you are lonesome just like me,
and it being late, you'd like some some company,
Well I turn around to look at you,
and you look back at me,
The guy you're with has up and split,
the chair next to you's free,
And I hope that you don't fall in love with me.

Now it's closing time, the music's fading out
Last call for drinks, I'll have another stout.
Well I turn around to look at you,
you're nowhere to be found,
I search the place for your lost face,
guess I'll have another round
And I think that I just fell in love with you.
