Join the Parade

Join The Parade

Out in the late November chill

Crowded behind blue barricades

Peering out over every window sill

Lucky children snap their window shades

The streamers flying through the air

Falling all around the marching band

The country singer smiles and waves her hand

And IÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â with you baby

And the voice in the public address saysÃ¢â¬â, -Ã¢â¬â!

Please come and join the parade (the parade)

I know IÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â finally home and dry

Please come and join the parade

DonÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â let it pass you by (oh)

Fat lady smiling as she roles by

The big red smile and a sloppy kiss

Furry friends slow follow (follow)

Black mascara creatures, yes

Your babyÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â screaming in your ear

The black hair and a red nose face

SheÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â running backwards off the fire escape

But IÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â with you baby

And the voice in the public address saysÃ¢â¬â, -Ã¢â¬â!

Please come and join the parade (the parade)

I know IÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â finally home and dry

Please come and join the parade

DonÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â let it pass you by

DonÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â let it pass you by (by)

Yeah, please come and join the parade (the parade)

I know IÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â finally home and dry

Please come and join the parade (the parade)

DonÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â let it pass you by

Please, join the parade (the parade)

I know IÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â home

Please come and join the parade (the parade)

DonÃ¢â¬â, -Ã¢â¬â, -Ã¢â¬â let it pass you by
