I was sitting with Mary  
In my dad's blue Valiant  
Rain was coming down  
And the radio was playing  
Mary was talking  
A million miles a minute  
I could not hear one word she was saying

Cause I was lost  
I was gone  
Listening to Levon  
In another world  
In another place  
I was was lost  
I was gone  
Listening to Levon  
I was looking at Mary's eyes  
but I was listening to Levon

Mary's hair was black  
That much I remember  
Mary's was skin was smooth  
I remember that too  
And she opened her eyes  
Sometimes when she kissed me  
I don't know why she did that  
Maybe Mary knew

I was lost  
I was gone  
Listening to Levon  
In another place  
In some other world  
I was was lost  
I was gone  
Listening to Levon  
I was looking at the girl  
But I was listening to Levon

I changed her name  
To protect the innocent  
I might have even lied

About the car  
this is just to say  
Sorry if I hurt you  
Mary if you're out there  
You know who you are

I'm sorry Mary

It serves me right if  
You can't even hear me singing  
If you tuned me out a long time ago  
And it served me right  
If you already changed the station  
And you're listening right now to that old boy on the  
radio

And you're lost  
And you're gone  
Listening to Levon  
In another world  
From some other place  
Are you lost?  
Are you gone?  
Listening to Levon  
Is there a smile your face  
while you're listening to Levon?
