Hey, have you ever tried
Really reaching out for the other side?
I maybe climbing on rainbows
But baby, here goes

Dreams, they're for those who sleep
Life is for us to keep

And if you're wond'ring
What this song is leading to
I want to make it with you
I really think that we can make it, girl

No, you don't know me well
'N' ev'ry little thing, only time will tell
But you believe the things that I do
And we'll see it through

Life can be short or long
Love can be right or wrong

And if I chose the one
I'd like to help me through
I'd like to make it with you
I really think that we can make it, girl

Baby, you know that dreams
They're for those who sleep
Life is for us to keep

And if I chose the one
I'd like to help me through
I'd like to make it with you
I really think that we can make it, girl
