Kickin' stones down by the gypsy shacks  
Along the wrong side of the tracks  
Steppin' over all the cracks  
Cross my fingers too

Wishing on that lucky day  
When I finally make my getaway  
Won't be nothing left to say (no no)  
Only one thing left to do

Just run through the valleys  
And down through the woods  
Out in the alleys  
Past the old neighborhoods  
(And I know I got) so far to travel  
And the hour is late  
But it's out of the darkness  
When I make my great escape  
When I make my great escape
