Clouds move in  
From off the horizon  
Feels like the nighttime  
In the middle of the day

And I don't know why  
But it's still so surprisin'  
How a love grows stronger  
Or it just fades away, fades away

'Cause you look older today  
Than I've ever seen you  
I think I know the reason

We might wash all our tears away  
But you got to bundle up, baby  
For the rainy season

I hear you breathing heavy  
On the telephone tonight, yeah  
I can feel the air is thick as thieves

Sometimes I just I wanna tell you  
We'll be all right  
At least that's what some part of me believes  
Still believe in this, baby

'Cause you look older today  
Than I've ever seen you  
Think I know the reason

We might wash all our tears away  
But you got to bundle up, bundle up, bundle up  
For the rainy season, yeah  
Baby, baby, bundle up

Baby, bundle up now  
Listen

Oh, I've been holding on so long  
Holding on and holding on so long, yeah  
Let me say it again

Oh, I've been holding on so long  
Could you bundle up, baby?  
Won't you bundle up, bundle up, bundle up  
For the rainy season?

Baby, could you bundle up?

Yeah, baby for the rainy  
Listen to me now  
Whoa yeah, baby for the rainy season  
Yeah

Walk with me, baby  
We'll go slipping on the leaves  
Walking in the rainy season  
We'll go slipping on the leaves  
Walking in the rainy season  
Come on child

Walking in the rainy season  
Yes, [Incomprehensible]

Walking in the rainy season
