Baby Iâ€™ve been searching like everyone else
Canâ€™t say nothing different about myself
Sometimes Iâ€™m an angel
And sometime Iâ€™m cruel
And when it comes to love
Iâ€™m just another fool
Yes Iâ€™ll climb a mountain
Iâ€™m gonna swim the sea
There ainâ€™t no act of God girl
Could keep you safe from me

My arms are reaching out
Out across the canyon
Iâ€™m asking you to be my true companion
True companion
True companion

So donâ€™t you dare and try to walk away
Iâ€™ve got my heart set on our wedding day
Iâ€™ve got this vision of a girl in white
Made my decision that itâ€™s you allright
And when I take your hand
Iâ€™ll watch my heart set sail

Iâ€™ll take my trembling fingers
And Iâ€™ll lift up you veil
Then Iâ€™ll take you home
And with wild abandon
Make love to you just like a true companion
You are my true companion
True companion

When the years have done
Irreparable harm
I can see us walking slowly arm in arm
Just like that couple on the corner do
â€™Cause girl I will always be in love with you
And when I look in your eyes
Iâ€™ll still see that spark
Until the shadows fall
Until the room grows dark
Then when I leave this Earth

Iâ€™ll be with the angels standinâ€™
Iâ€™ll be out there waiting
For my true companion
True companion
True companion
