Let's go down to the sound tonight  
Tide is low and we can walk on water  
Reel me in under that starry light  
Just like the fisherman's daughter

Baby when the bands and the barkers go home  
They say that Venus she rises  
From out of the foam  
She dances on air and laughs at the moon  
And watches young lovers in fiery dunes

So are you willing to wait for the miracle  
Willing to wait it through  
Are you willing to wait for the miracle  
Or don't you believe they're true?

There's an old man sitting by the side of the pier  
He's got his cross and his camera  
And his bottle of beer  
He just sits all day and all through the night  
Praying for a vision or a heavenly light

'Cause he's willing to wait for the miracle  
Willing to wait it through  
He's willing to wait for the miracle  
What else is he gonna do?  
What else is he gonna do?

Now me I don't need no heavenly sign  
'Cause I got the water and the wine  
So baby please let your lovelight shine  
'Cause we're all gonna meet our maker  
Sometime

That's why I'm willing to wait for the miracles  
I'm willing to wait them through  
I'm willing to wait for the miracles  
But I just can't wait -- for you  
Just can't wait for you  
Let's go down to the sound tonight  
And walk on water  
Walk on water

Walk on water
