You made my soul a burning fire,
You're getting to be my one desire,
You're getting to be all that matters to me
And let me tell you girl I hope and pray each day I live,
A little more love I'll have to give,
A little more love that's devoted and true...
Cuz all I do is think about you,
All I do (uhhh uh uh) is think about you, (I think about
you)
All I do (yeah baby) is think about you

Maybe just suppose I could happen to cross your mind,
And by some chance a boy like me you really been
trying to find...
Well let me tell you girl, think of how it exciting it would
be,
If you should discover you feel like me,
If you should discover this dream is for two...
I'm gonna tell you girl, I light a candle every day,
And pray that you always feel this way,
And pray that our love will forever be new...
Cuz all I do is think about you,
All I do (yeah yeah yeah) is think about you (All I do is
think about you baby)
All I do (whoa) is think about you (I think about you
baby)
All I do (Whoa whoa whoa whoa) is think about you (All I
do baby)
All I do, is think about you

Maybe just suppose I could happen to cross your mind,
And by some chance a boy like me you really been
trying to find...
Well let me tell you girl,
Think of how exciting it would be (All I do)
If you should discover you feel like me, (I think about
you)
If you should discover this dream is for two
(In the morning, in the afternoon and the evening, I
dream about you every night yeah, ooh baby yeah)
If I cannot have you for my own,

I'd rather be lonely and all alone,
I'd rather be thinking the way that I do,
Cuz all I do is think about you,
All I do (yeah baby) is think about you (All I do is think
about you)
All I do (yeah baby) is think about you (Whoa whoa
whoa whoa whoa)

I'm Thinking baby, (Girl your always on my mind) 'bout
you baby,
(Whoa oh whoa, yeah yeah yeah yeah)
I'm Thinking baby, (You got me thinking) 'Bout you
baby, (All I do is think about you)
I'm Thinking baby, (girl you got me everything) give it
to me baby
I'm thinking baby, 'Bout you baby,
(Yeah yeah, yeah yeah, yeah yeah yeah yeah yeah,
Whoa whoa whoa baby)

All I do (I think about you baby) is think about you
(ooooh ohh ooh ooh)
All I do, is think about you
(Can you feel it ba-ea-ea-ea-by)
All I do, is think about you
(Can you fell the fire burning, can you feel the fire
burning, I'm feeling it for you baby)
