Wake up Wake up
Ghetto Children
Wake up Wake up
Ghetto Children

Ghetto Boy
Youre my life
And theres so much for you to protect and to say
And baby boy
Dont hit your wife
'Cause your kids may grow up someday to be this way
You dont know
What you may be
To some boy
In society
Theres a secret to why
You must survive
So listen to what we say
Cause this type of shit happens everyday

Go for yours cause dreams come true
And this is the message we bring to you
Hey now hey now now
Hey now hey now now
No matter what teachers say to you
Ghetto Children are beautiful
Say hey now hey now now
Hey now hey now now

Baby Girl
Youre my life
Its important that you smile
And never cry
Study math and your sciences
Maybe youll figure why we subtract and multiply
You dont know
What you may be
To some girl
In society
Theres a secret to why we must survive
So listen to what we say

Cause this type of shit happens everyday

Go for yours cause dreams come true
And this is the message we bring to you
Hey now hey now now
Hey now hey now now
No matter what teachers say to you
Ghetto Children are beautiful
Say hey now hey now now
Hey now hey now now

Crack Town
Ghetto in the city
Buildings are abandoned
The girls are still pretty
A child looks in the mirror
Here to see my life clearer
All I see is ghetto keys to this jet black Carrera
Of course 911 dont mean help
The only ones that need help is them sons without
wealth
Its apparent that this nation
They dont know what they facin'
Young natural born killers
