Crying for love
Crying for love
Crying for love
I'm crying for your love

How's your temple
Late from stop burning?
Gone out and gone away
Who tends your altar now?

And how's your temple
What's your temple like?
Gone out and gone away
Who tends your altar now?

Dear...
Do you like
Your new toy boy now?
Does he serve
You so well?
Does he get-give you what...
What you like?

Who will worships you?
Who comes to your big altar now?
I had so much to tell you
That you just wouldn't understand
But you just wouldn't twig on
It's another sod
Up on your altar...

Crying for love
Crying for love
Crying for love
I'm crying for your love

How's your temple
Late from stop burning?
Gone out and gone away
Who tends your altar now?

And how's your temple

What's your temple like?
Gone out and gone away
Who tends your altar now?

You're...
Gone girl
Dark skin and tress and all
Sickly sweet
Gone like death

You're temple's closed
And the Christians gone
I touch your soft flesh at night
I was lost with you

My only repose was to adore you
So sad...
I only wanted to love you
You only wanted
To be adored
Darling I'm crying...
