Little Lamb, Little Lamb  
There's beauty in you  
Little Lamb, Little Lamb  
It's so hard to do.  
Little Lamb, Little Lamb  
You find good in all,  
Little Lamb, Little Lamb  
Innocent and small.

Little Lamb, Little Lamb  
Are you all alone?  
Little Lamb, Little Lamb  
Can they all be wrong?  
Little Lamb, Little Lamb  
You must see it through  
Little Lamb, Little Lamb  
There's truth in you.

You cannot fight man  
It just can't be won  
Please don't judge them  
For what they've become  
Little Lamb, Little Lamb  
It's been so, so long,  
Little Lamb, Little Lamb  
We've forgot what's wrong.

Little Lamb, Little Lamb  
Won't you speak to me?  
Little Lamb, Little Lamb  
Is there an answer please?  
Little Lamb, Little Lamb  
My self will grow  
Little Lamb, Little Lamb  
In understanding I'll clothe.
