Build on, build on every road... hmmm  
Touch me; feel me explode... hmmm  
Burn the fire light,  
The music in the night  
Where the gypsy love is tight  
She makes my eyes burn bright.

I'd follow; I'd track the highest ground... hmmm Gypsy,  
we're Mexico bound... Hmmm  
Where we can dance all night,  
Make love in the mornin' light.  
Your shoes lined with gold,  
And I'll sing for our souls.

(Bridge):  
Everything the cards said came true,  
We're bound to take that train, me and you.

(Refrain):  
Dance woman dance,  
Gypsy girl, woman dance.  
Dance woman dance,  
By the fire, make romance

By the banks of the Rio Grande,  
Her feet barely touch the sand.  
The tambourine fills the night,  
Her shadow moves in and outta sight.  
The Tequila dulls my eyes,  
And the smoke tellin' lies.

(Refrain):  
Dance woman dance,  
Gypsy girl, woman dance.  
Dance woman dance,  
By the fire, make romance

Dance gypsy dance, Mexico, Mexico.  
The land where my guitar stands,  
To give our souls the chance  
To dance.  
Dance woman dance,

Gypsy girl, woman dance.  
Dance woman dance, Mexico, Mexico
